

WHY JOIN THE BIOMAT COMPANY

Dear BioMat Owner / RichWay Distributor,

Congratulations and Welcome to our science-based medical products for your personal or professional use, and healthy longevity. Your wise decision to purchase a BioMat, the Alkal-Life or the Rejuvena, will support and enhance your journey towards a healthier lifestyle.

RichWay's products are truly phenomenal healing tools. The BioMat Company takes pride in matching our marketing materials and personal training strategies to the integrity of the BioMat.

We're here to help you reach your supplemental or main financial goals through one-on-one training, phone calls or quick emails. The beauty of this business is how connected we are as a team, regardless of your global location.

The BioMat Company and RichWay International (FujiBio) are world-class organizations with combined expertise. Working together we would like to provide natural, quantum healing to as many people as possible. The BioMat Company offers additional training, information and support tools for efficient direct marketing strategies.

Both health and wealth are highly important assets. The exploding anti-aging market is being driven by baby boomers looking for natural solutions to "turn back the clock." Our desire to increase the health of all, while simultaneously providing financial independence, is what motivates us to share this product and our materials world-wide.

We provide dynamic materials and support, beyond those that Richway offers, that turns this into a lucrative business opportunity. Our Relaxation CD, Welcome Letter, Settings Guide, Business Model Letter, RichWay Rewards Package and Sound Healing CD's all serve to make earning an income while sharing the products quite simple, rewarding and gratifying.

Your RichWay Distributor Kit purchase automatically enrolls you as a RichWay Distributor. We invite you to join The BioMat Company family in this rewarding pursuit by purchasing BioMat Brochures and Relaxation CD's today.

We look forward to a memorable partnership, one of personal growth and abundance. Give us a call today or send an email to let us know you would like to join one of the most successful Distributor Groups in the RichWay Family.
